Greetings and prayers from Rev Lourdusamy Subramani!

Peace be with you!

Although things have been changed in the life of the parish, yet I wish to release the financial report of 2024 which would give you a holistic idea of the parish financial status and will encourage us to move forward for the better of the faith community of St Margaret Mary Parish. The Parish Financial Report for 2024 is inserted in this weekend's bulletin.

Thank you for offering your time, talent, and continued support to our Parish over the past year. Thank you to Deacon Rene, the Parish staff, all of the volunteers and members of the various Parish Committees, as well as our Parish Catholic Women's League and Knights of Columbus, along with the priests who helped during the year 2024.

Many projects and updates were undertaken last year, including the replacement of the church lighting & amp; controls, and the hydro service upgrade as advised by the electrical engineers.

Other major upcoming projects include heating and cooling systems, and the building's roof. With the economic uncertainty now upon us, the cost of these projects will likely be increasing. Your continuing support of the Parish is needed to be able to maintain our parish home.

God loves a cheerful giver (2 Corinthians 9:7)

Have a wonderful Holy Week

In Christ's Love,

Rev. Lourdusamy Subramani

Pastor
